

PHOSHOW!

EXHIBITION OPPORTUNITY

Call for submissions: 10th March – 6th April

Exhibition Dates: 12th – 26th April

Camera phones and mobile communication are at the centre of almost everyone's day, making photography available in an instant. People document their days using the cameras on their phones; take a look at your phone and what will you find? A timeline of events documenting your daily life, from pets and friends, to food and places! We invite you to submit photographs using your smart phone (or any camera you like) on these 4 themes:

#people

#places

#things

#moments

Responses to the theme can be as creative as you like, we want to see you using your imagination and pushing the boundaries of what can be achieved through photography. You can submit images to us through twitter, instagram and email. The guidelines are simple! We ask photographers between the ages of 15 - 18 years, to send between 1-6 pictures related to our themes. You can submit to one theme or all! Image titles should state which theme they relate to. Tell us your name, age, where you are from and send your images to:
