APRIL

## MAIN GALLERY

### And yet it moves

**Brown&Brí**

11 - 26 April 2014

A study of the moon, the lives of astronomers William and Caroline Herschel, the properties of timber, round-singing, lightness, light-ness and Lightness, and the depth to which all these are connected.

Brown&Brí is a collaborative curatorial and artistic practice, interested in theatre and staging in art, and the honesty of fiction. This exhibition is collaboration with Gerry Murphy and Nicholas Boyle.

[brownandbri.com](http://brownandbri.com)

### Closing Performance

Fri 25 April

Beginning with the account of an epiphany in which a vast, universal truth becomes known, and then forgotten.

The closing performance is open to the public and refreshments will be provided.

## UNIT

### PhoShow

**Group Exhibition**

11 - 26 April 2014

Camera phones and mobile communication are at the centre of almost everyone's day, making photography available in an instant.

This exhibition presents a timeline of events documenting people's daily lives, from pets and friends to food and places. All images were submitted by photographers aged 15-18 years old.

Part of Belfast Photo Festival Youth Edition

JUN

MAIN GALLERY

Back - Bearings  
Jacqueline Holt & Craig Donald  
6 - 28 June 2014

Taking back bearings to find the gaps in the narrative. Deflecting attention from the real question.

George is like a swift, Ann once told Haydon in George’s hearing. He lowers his temperature until it’s the same as the room around it. Then he doesn’t lose heat by adjusting.  
*Tinker Tailor Soldier Spy*  
John Le Carré
